Space and Naval Warfare Systems Center Charleston Awards Contract

CHARLESTON, S.C. — Problem-Knowledge Coupler Corp. dba PKC Corp., Burlington, Vt., was awarded a \$6,850,000 firm-fixed-price, commercial contract to provide software license for DoD Customs Screening Tools and Problem-Knowledge Coupler Clinical Couplers as required by Space and Naval Warfare Systems Center Charleston. This contract includes three one-year options, which if exercised, would bring the cumulative value of the contract to \$27,850,000. If all options are exercised, work will be completed in September 2009. Contract funds will expire at the end of the fiscal year. The contract was awarded as a sole source procurement. The Request for Proposal was posted on the SPAWAR Systems Center E-commerce website and one offer was received. The Space and Naval Warfare Systems Center, Charleston, is the contracting activity for this action (N65236-06-C-6234).
